

Massachusetts Bay Veterans Center (MBVC)

At the Massachusetts Bay Veterans Center (MBVC), we give homeless veterans a **safe place to call home** while helping them get back on their feet. With staff support and vet-to-vet programs, we offer the care today that leads to opportunity tomorrow.

With 24 transitional and seven permanent housing units, MBVC provides a **supportive community** where veterans have the time and resources to take care of themselves, create relationships with one another, and get the support they need to **rebuild their independence**. Services include case management, housing assistance, employment assistance, mental health and substance use treatment, community reintegration, individual and group counseling, life skills training, and access to Veterans Affairs (VA) and other resources.
